Current Affairs Of The Day

- Tamil Nadu CM MK Stalin stated in an interview that the NEET is against the interests of rural students, the center had snatched away the states' rights to conduct medical admissions how they want and called for an all-party meet on January 8 to discuss way forward for NEET exemption. The CM added that the state is keen to conduct admissions based on class 12 marks only, and stated that the NEET has made the school education system meaningless. Students from rural areas can not afford coaching classes like the economically well-off students to clear the entrance exam. Mr. Stalin urged leaders from all parties to consider this as next level of social justice movement and take part in all-party meeting on January 8.
