Current Affairs Of The Day

- **32.95% positivity rate and 46,426 fresh cases, another day another outrageous number of new covid cases, Karnataka in the last 24 hours recorded a whopping 46,426 new covid cases, although the state recorded a fall as it recorded over 50,000 cases day before yesterday however the number still is quite outrageous and the spread is nowhere close to stopping. Out of the 46,426 Bengaluru alone reported 21,569 cases which raises a lot of questions about authorities in Bengaluru and their methods of curbing another wild spread of the virus. The state currently has 3,62,487 active cases out of which around 2,26,000 are in Bengaluru 30 deaths were also reported out of which 9 were from Bengaluru. Chief Minister Bisanaraj Bommai appointed 28 ministers to handle the pandemic response in every district of the state and has assured that the state will make further changes in the coming days to stop the spread of the virus.**
